

**2017 TransPac Aloha Party Vessel Registration**

A defining TransPac race tradition is the Aloha Party for each vessel upon their finish in Honolulu, no matter the hour. Lifelong friendships are started here! The 2017 TransPac Hosting Committee recruits boat hosts to adopt your vessel and work to make your Aloha Party a memorable experience and one you, your crew and family and friends will cherish forever. To help us meet your expectations and coordinate the party details, the host will synch all of this with your expected time of arrival (ETA HST). **Please provide the following information by May 20, 2017.**

Your TransPac welcoming hosts spends a significant amount of both time and money preparing for your arrival. To help us recruit and perpetuate this tradition, we hope that Owners/Skippers will say Mahalo (thank you) through reciprocation. Owners may consider inviting their hosts for an afternoon of sailing; to a crew dinner; the Awards Reception; providing crew shirts & hats, or contributing to the costs of the aloha party (particularly for large crews). A little thoughtfulness goes a long way! Once a host has been assigned, please do not hesitate to communicate directly with your hosts with details such as drink preferences (alcohol types, or non-alcohol), food preferences (vegetarian, gluten free, etc.).
